The Budget Planner

Englisch

## A few important tips before you start

Note the expenses of all family members regularly. Start today. It only takes a couple of minutes.

Keep your budget planner and a pencil always next to you.

When shopping, always take the receipt witht you. Collect them in an envelope or an empty shoebox.

Keep the receipts of bigger purchases at least for two years. That's important for the warranty and the exchange of something bought.

Don't decide upon larger purchases spontaneously. Take your time to think about it.

Always write a shopping list and stick to it. This way, you forget less and don't need to go twice.

Don't ever go shopping when you are hungry. Otherwise, you may buy more than you actually need.

Don't wait too long to pay your bills, pay them on time. This way, you don't lose track of your expenses.

Organise your documents. Therefore, collect the following:
$\rightarrow$ bank statements
$\rightarrow$ payslips
$\rightarrow$ insurance documents
$\rightarrow$ rental agreement
$\rightarrow$ utilities statements
$\rightarrow$ credit agreements
$\rightarrow$ further bills
